Conditions

Reservations and Payment: Reservations will be confirmed by American Travel Association (ATA) upon receipt of the Reservation Coupon and \$150 per person deposit. Receipt of final payment is due in the office of ATA no later than August 20, 2012. All payments must be made by check payable to American Travel Association or by MasterCard, Visa or American Express card.

Cancellation: Cancellations must be made in writing to ATA. To avoid discrepancies, ATA will not act on information given over the phone until written notice has been received.

Land Package: A \$100 per person cancellation fee will be charged regardless of the reason. Penalty on cancellations received between August 20 and departure will be a maximum of 100% of the land cost per person, depending upon the amount recoverable from the suppliers to whom payment had been sent. Cancellation penalties are required to offset non-refundable hotel and supplier payments made by ATA in advance of the tour. There will be no refund for unused services once the tour has begun.

Insurance: Trip cancellation, baggage and medical insurance coverage is available for purchase through a form to be sent by ATA. We strongly recommend insurance coverage. When last minute illnesses occur, the insurance helps offset non-refundable air and land charges. You should check with your local insurance agent to see what is covered under your homeowner's policy.

Health: The Participant represents that neither he nor she nor anyone traveling with him or her has any physical or other condition or disability that could create a hazard to him- or - herself or other members of the tour. This program involves walking over uneven surfaces and climbing stairs at locations that are not handicap accessible. A letter of explanation of any physical or mental condition that may require medical attention or special equipment (wheelchair, for example) must be enclosed with the Reservation Form.

Prices: This price is subject to change due to cost increases, and in number of participants upon which the tour cost is based (26). ATA reserves the right to increase the price for such reasons. All prices are based on rates and tariffs in effect on March 1, 2012.

Responsibility: American Travel Association, Inc. (ATA), and the National Electrical Contractors Association (NECA) are acting as intermediaries for suppliers in selling services, or in accepting reservations or bookings of services which are not directly supplied by ATA and NECA (such as air transportation, hotel accommodations, ground transportation, meals and tours.) ATA and NECA therefore shall not be responsible for breach of contract or any intentional or careless actions or omissions on the part of such suppliers, which result in any loss, damage, delay or injury to the person, property or otherwise. Unless the term "guaranteed" is specifically stated in writing on your invoice or reservation itinerary, we do not guarantee any such supplier's rates, bookings or reservations. By making a deposit for the tour, the travelers acknowledge acceptance of and consent to the terms and conditions contained herein. ATA and NECA give notice that they cannot be held responsible for any monetary crisis, political or social unrest, labor problems, mechanical or contractual difficulties, climatic aberrations, local laws, diseases, terrorism or novel conditions. It is the traveler's responsibility to be aware of and determine the validity of any travel advisories which may exist. The space in all hotels is limited and is confirmed on a first-come, first-served basis. If, due to weather, flight schedules or other uncontrollable factors, participants are required to spend additional nights before or after the tour, participants will be responsible for their own hotel, transfers, meals and related costs.
